FAO YR 10 PUPILS AND PARENTS – IMPORTANT GCSE INFORMATION

Please see the timetables below. This is your schedule for your **two** GCSE Practical Science units for Double Award and **three** units for Triple Award. These units will contribute towards the overall grades of your Science GCSEs. If you are not sure which group you are in, please check immediately with your Science teacher for confirmation. You will complete each practical unit over a 1 hour period in the Science lab, as per the timetables below.

Following this, on the same day you will complete the written task under strict exam conditions. Again this task will be over a 1 hour period.

Should you have any queries regarding either the practical unit arrangements or the written side of the task, please see your Science teacher or Mrs Ottaway (exams officer).
