Annwyl Rieni/Warchodwyr
Dear Parents/Carers

I am writing to you in regards to an exciting new development at Newtown High School. This year Newtown High School will be working towards achieving Welsh Language Charter awards. The purpose of the Charter is to promote a strong Welsh ethos in our school and instil positive attitudes and confidence towards the Welsh Language both inside and outside of the classroom. The charter aims to provide a range of enrichment activities and opportunities to learn more about the Welsh Language and culture, further developing our Cynefin.

In order to achieve our aim, we will be working collectively with all members of our school community. Here in school we will be working to develop a 'Crew Cymraeg' which will consist of learners who will play an instrumental role in driving forwards our aim, and identifying new opportunities to further promote the use of Welsh. These opportunities include, drama, art, recitation, technology, music, dance and sporting activities.

Of course, to realise our aim we need your help. Supporting the learning and enjoyment of the Welsh Language at home (including use of Welsh Language learning apps and websites), engaging in school activities focussed on Welsh and helping your child/children understand the history, tradition and importance of our wonderful Language.

Please find attached more information about the importance of bilingualism in Wales alongside additional support available.

Cofion Cynnes
Warmest Regards

Miss C Evans.
